

# Cordura

Correspondence Driving Course

## Parent/Student Contract Agreement

Cordura's course is designed to be completed within two months. We do offer one additional month of grace period before late fees begin occurring. Please keep us updated if the student needs an extension, we know life is busy and we try to be accommodating. Per state guidelines, correspondence driver's education programs must be completed within one year, or the student must reapply with the TSC and re-enroll. Our textbooks are fairly new, most within a year old. Please try your best to keep them in good condition!

### Courses Fees:

\$150 enrollment fee

\$10 for each additional month it takes to complete the course after the grace period.

\$35 for insufficient funds/returned checks.

\$10 make-up tests

\$10 replacement of Learner's Permit Referral Card.

\$20 replacement of Certificate of Completion.

\$50 replacement or damaged textbook.
